Capturing the love and  
friendship between people  
and their animals!

## PORTRAIT PHOTOGRAPHY

Capture that special relationship between you and your horse with a wonderful portrait session.

Whether for senior photos, engagement pictures, or to have some beautiful art work to display on your wall, we can help you remember that powerful bond.

## PROMOTIONAL PHOTOGRAPHY

Need excellent images of your stallion, foals, or sale horses? We will provide you with commercial-use licensing on all your high resolution photos, which can be used for your advertising needs. We can also provide digital enhancements and ad design services.

## EVENT PHOTOGRAPHY

Our event coverage can include horse shows of any discipline, as well as inspections, horse fairs, clinics, or any other kind of equine event. Plus, any exhibitor who pays a deposit will have the option of getting portrait or conformation images taken during the show at no extra charge.
